

12th December 2016

Dear Rik,

We are writing to thank you and your team of volunteers for spending your time helping to repair and improve our Wildlife Garden.

Everyone in school is grateful for our lovely pond. It looks much better and there is a lot more space. Since you came we have built a fence and the pond has filled with rainwater. Year 5 also had the challenge to fill in our paths with woodchips. They managed to move 3 tonnes in just one hour, using only buckets!

We are looking forward to seeing you again in the new year to ask your advice about what plants to put in our pond to attract wildlife.

Yours sincerely,

Edgworth Eco Warriors
